PROFESSIONAL EXPERIENCE

A. Clinical and Administrative

April 1994 to present: Associate Director of Clinical Training, School of
Psychology, Nova Southeastern University, Ft. Lauderdale, Florida. Primary
responsibilities for practicum selection, quality assurance and student assignment in
the Mental Health Counseling Masters Program. Serve as liaison between School
and practicum sites. Curriculum development in the Masters program as well as
coordinator of the Doctoral program's Pre-practicum experience.

September 1998 to present: Coordinator, Long Term Illness Concentration,
School of Psychology, Nova Southeastern University. Coordinate curriculum,
practicum sites and admission to the concentration.

June 1989 to April 1994: Director of Community Relations, School of
Psychology, Nova University, Ft. Lauderdale, Florida. Serve as community
liaison between University and a variety of community agencies. Provide
consultation to students and faculty on program development, grants and
financial aid. Develop "Doctoral Trainee Placement Service" aimed at
identifying job opportunities within the community and placing Nova
students in those positions.

July 1983 to June 1989: Executive Director and Chief Psychologist, Nova University Community Mental Health Center, Ft. Lauderdale, Florida. Serve as Director of a university-based community mental health facility providing outpatient, emergency, residential and consultative services to a catchment area of over 600,000 with a budget of approximately 4 million dollars. Responsibility for the development of clinical programs integrating service, training and research within the School of Psychology; fiscal and personnel management; oversight of clinical services; public relations and grant writing; Chief Psychologist of APA-approved clinical internship and oversight of practicum site serving students from the Nova University's School of Psychology.

November 1983 to present: Private psychology practice

November 1982 to June 1983: Executive Director, Rockbridge Area Community Services Board. Serve as chief administrator of the Board, responsible for the coordination, development, evaluation, planning and budgeting of programs and services in the areas of mental health, substance abuse and mental retardation. Provide administrative support to governmental board of 12 members; serve as director of personnel implementing policies and procedures set by Board. Also serve as Chief Clinical Officer responsible for overall clinical management, clinical policy development and supervision of three disability areas.

September 1980 to June 1983: Consulting Psychologist, Southern Seminary Junior College, Buena Vista, Virginia. Responsibilities include short-term counseling/evaluation of women referred by full time counseling staff; consultation with school administrators and residence hall directors regarding student life, student personnel policies and individual student difficulties.

January 1977 to June 1983: Director, Rockbridge Mental Health Clinic, Lexington, Virginia. Administration of CMH Clinic employing staff of psychologists, psychiatrists, nurses, psychiatric social workers, counselors, and administrative personnel. Administrative responsibilities include program development, budget preparation, fiscal and professional accountability and supervision, and public relations with governmental bodies. Clinical duties include individual and group psychotherapy, marital/family therapy, psychological assessment and psycho-diagnosis, community consultation and education. The Rockbridge Mental Health Clinic provides broad-based services through a main office and two satellite locations in the areas of adult, child and geriatric outpatient treatment and diagnosis, emergency services, continuing care including day treatment, consultation/ education and case management services.

November 1972 to December 1976: Staff Psychologist, Community Mental

Health Activity, Fort Ord, California. Traditional clinical responsibilities including individual and group psychotherapy, crisis intervention, psychodiagnosis with a population of active duty military, their dependents, and retired; supervision of psychology technicians; concentration in community mental health consultation; creation and implementation of organizational development programs; training of community "gatekeepers" in human relations skills.

January 1973 to December 1976: Director of Training, Psychology Internship Program, Fort Ord, California. Coordination and administration of program. Teaching and supervision of interns in therapy, crisis intervention and consultation. The program was an APA-approved community-oriented clinical internship.

July 1972 to October 1972: Psychology Consultant, Human Relations Center, Fort Polk, Louisiana. Developed and implemented community mental health programs in the areas of human relations and counseling skills, drug abuse education and prevention. HRC was a one stop "shopping center" combining all social-psychological services within the military community under one administrative chief in a single location.

November 1971 to June 1972: Staff Psychologist, Mental Hygiene Consultation Service, Fort Polk, Louisiana. Traditional clinical activities in areas of individual and group therapy, diagnosis and testing, crisis intervention. Supervision of psychology/social work technicians.

September 1970 to June 1971: Counseling Psychology Internship, Ohio State University Counseling Center, Columbus, Ohio.

B. Academic

July 1997 to present: Professor of Psychology, School of Psychology, Nova Southeastern University, Fort Lauderdale, Florida.

July 1983 to June 1997: Associate Professor of Psychology, School of Psychology, Nova Southeastern University, Fort Lauderdale, Florida. Responsible for doctoral-level teaching and committee assignments. Provide consultation, clinical and research supervision to doctoral students and to interns within the School's APA-approved Clinical Internship Program.

September 1992 to June 1995: Faculty, Nova Southeastern University Mediation Institute, Fort Lauderdale, Florida. Responsible for lectures on

mental health issues and family systems to students of family mediation.
Certified Family Mediator, State of Florida.

September 1978 to 1980: Adjunct Professor of Psychology, Washington and Lee University Law School, Lexington, Virginia - Course in Psychiatry and the Law.

August 1977 to December 1977: Assistant Professor of Psychology, Virginia Military Institute, Lexington, Virginia. Teaching responsibility for undergraduate course in Abnormal Psychology.

October 1975 to September 1976: Assistant Academic Coordinator, Counseling Psychology and Marriage Family, Child Programs, leading to MA degrees. Chapman College, Orange, California. Responsibility for administration and coordination of two MA level programs; coordinate liaison with internship sites; Chairman of selection boards for admission to programs.

September 1974 to November 1976: Adjunct Professor of Psychology, Chapman College Residence Education Center, Fort Ord, California; Orange, California. Teaching responsibility for Master's level courses in psychological diagnosis and measurement, counseling/ psychotherapy and psychopathology.

May 1973 to May 1974: Instructor in Psychology, Golden Gate University, San Francisco, California (Local Extension). Courses taught: Motivational Psychology (Undergraduate) Social Psychology of Management (Undergraduate); Abnormal Psychology (Graduate).

September 1969 to March 1970: Teaching Associate, Department of Psychology, Ohio State University. Responsibility for psychology course dealing with personal adjustment.

C. Selected Community Consultation and Board Memberships

July 1983 to present: Consultant, Crisis Intervention Team: Broward Regional Planning Council; Consultant, Broward County Mental Health Association – Community Friends Program; Consultant, Department of Vocational Rehabilitation, Fort Lauderdale, FL; Chairman, Broward County Mental Health Providers Group, Broward County, FL; member, Severely Emotionally Disturbed Children's Network; Member, United Way Executive Directors; member, Broward County Mental Illness Coalition;; Director, Broward County Mental Health

Association (1991-1992); Chairman, Professional Advisory Committee, Mental Health Association; Member, Broward County Schools Health Occupations Advisory Council; Consultant, Broward County Family Court.
