E-Mail: W: jfaust@nova.edu

Fax: W: (954) 767-0213

EDUCATIONAL HISTORY

July 2003 Family Law Mediation Training – Certification Granted by the
 Supreme Court of Florida, April 2005.

June 1987 - June 1988 Children's Hospital at Stanford & Stanford University Medical
 Center Postdoctoral Fellowship - Pediatric and Child Clinical
 Psychology

June 1985 - June 1987 University of Georgia
 Ph.D. June 1987 - Major: Clinical Psychology
 Specialty: Child and Pediatric Psychology
 Major Professor: Rex Forehand, Ph.D.

Aug. 1985 - Aug. 1986 University of Oklahoma Health Sciences Center
 Internship Specialty: Pediatric Psychology

Sept. 1983 - June 1985 University of Georgia
 M.S. June 1985 - Major: Clinical Psychology
 Specialty: Child and Pediatric Psychology
 Major Professor: Rex Forehand, Ph.D.

Sept. 1977 - Aug. 1981 University of Florida
 B.A./High Honors
 Major: Psychology
 Major Professor: Barbara G. Melamed, Ph.D.

PROFESSIONAL EXPERIENCE

July 1998 - Present Full Professor
 Nova Southeastern University,
 Center for Psychological Studies (CPS).
 Professional duties include teaching Doctoral Degree and Masters Degree psychology courses; clinical supervision, research and grant writing and Principal Investigator, NIMH grant.
 Teaching/Supervision activities are within 2 Doctoral Degree programs (Ph.D./Psy.D.), Masters Degree, internship and postdoctoral programs. July 1993 - July 1998 Associate Professor
 Nova Southeastern University, Center for Psychological Studies (CPS). Professional duties included teaching Doctoral Degree and Masters Degree psychology courses; clinical supervision, research and grant writing. Teaching/Supervision activities were within 2 Doctoral Degree programs, (Ph.D., Psy.D.) Masters Degree program, internship, and postdoctoral programs. Community/Departmental Service: Director, Child and Adolescent Traumatic Stress Program;

Director, Program for the Seriously Emotionally Disturbed; Member, Professional Standing Committee; Member, Curriculum Committee; Chair, Faculty Search Committee 1993-1994; Member, Faculty Promotion and Review Committee; Member, Faculty Advisor for Psychological Testing Library; Member, Faculty Sabbatical Review Committee. University Committees: Family Alliance, CPS Dean Search (1996-1997)

July 1988 - June 1993

Assistant Professor

Nova Southeastern University, Center for Psychological Studies. Professional duties included teaching Doctoral Degree level and Masters Degree level psychology courses; clinical supervision; research and grant writing. Teaching/Supervision activities were within 2 Doctoral Degree programs, (Ph.D, Psy.D) Masters Degree program, internship, postdoctoral programs.

Community/Departmental Service: Director, Pediatric Psychology Program; Director, Psychological Testing Library; Member, Professional Standing Committee; Member, Curriculum Committee; Member, Faculty Search Committee; and Member, Faculty Promotion and Review Committee. University Committee: Restructuring of Grants and Contracts Office and Institutional Review Board (IRB).

July 1988 - Present

Director, Nova Southeastern University Child and Adolescent Traumatic Stress Program within Nova Community Mental Health Center

Duties include administration of this specialty program as well as clinical and research supervision and community interface within the Child and Adolescent Traumatic Stress Program. The majority of these patients have been sexually, physically, and/or psychologically abused and/or neglected.

Director, Division of Family Forensic Psychology (developed 2008)

Duties include administration of this specialty division within the Child and Adolescent Traumatic Stress Program program as well as clinical and research supervision and community interface. The majority of these patients are judge, attorney, and guardian ad litem referred/ordered for forensic psychological evaluation, custody evaluation, parent reunification, parent coordination/post divorce couples therapy, individual therapy, and individual therapy for children and parents. Many of the children and parents served suffer trauma symptoms.

- May 1993 - Present Director, Nova Southeastern University Program for the Seriously Emotionally Disturbed
- Duties include administration of this specialty program as well as clinical and research supervision and community interface within the Program for the Seriously Emotionally Disturbed.
- 2007- Present Course Director, Master Degree of Human Services in Child Protection, Criminal Justice Institute of Nova Southeastern University
- December 1990 –Present Independent Practice
- The practice of psychology includes treatment, assessment, evaluation, and consultation-liaison for children, adolescents, and adults experiencing a wide variety of psychological disorders and problems. In addition, Dr. Faust conducts family and couples therapy as well as post divorce counseling and parent coordination. She also engages in family mediation, as well as consultation with medical professionals, and professionals within the forensic arena. She has also served as an expert in child maltreatment, sex offenses, post traumatic stress disorder, child development issues, parent interfering/alienating behaviors, and family/child custody/time sharing issues. She has testified in Family, Civil, Criminal and Federal Courts.
- June 1987 - June 1988 Postdoctoral Fellow
- Children's Hospital at Stanford and Stanford University Medical Center, California. Responsibilities included outpatient child, adult, and family therapy; psychiatric inpatient child and family therapy; consultation-liaison to hospital staff (inpatient non-psychiatric medical patients and outpatient medical clinics); assessment, research, teaching (medical students, psychology interns).
- 1986 - 1987 Supervisor for Clinical Psychology Practicum Students (Child, Adult, & Family Team)
University of Georgia, Athens, Georgia. Co-leader of practicum team meetings: supervised team members individually on therapy and assessment cases.
- 1986-1987 Research Fellow, University of Georgia
University wide competitive research fellowship. Department of Psychology, Clinical Psychology program, University of Georgia. Responsible for conducting independent and collaborative research.

1985 - 1986

Internship

Department of Psychiatry & Behavioral Sciences University of Oklahoma Health Sciences Center Oklahoma City, Oklahoma. Responsibilities included outpatient child, adult, family, and group therapy with diverse populations (e.g. Children's Hospital patients, pediatric rehabilitation hospital patients, adult medical school hospital patients, VA medical center patients); consultation-liaison to hospital staff (inpatient non-psychiatric medical patients, outpatient medical clinics); psychological, neuropsychological, and psychoeducational assessment with the above populations; research, teaching (medical students and residents).

1984 - 1985

Clinical Psychology Teaching Assistant

Psychology Clinic, Department of Psychology, University of Georgia, Athens, Georgia. Responsibilities included lecturing, test construction, test grading, and holding office hours for first year graduate students enrolled in clinical program core courses.

1983 - 1984

Clinic Assistant

Psychology Clinic, Department of Psychology, University of Georgia, Athens, Georgia. Conducted initial evaluations/intakes on new clinic patients. Also was responsible for the public relations for the Psychology Clinic.

1980 - 1983

Research Associate

Behavioral Medicine Laboratory
J. Hillis Miller Health Sciences Center
University of Florida, Gainesville, Florida.

1980
(Summer)Counselor

Wediko Children's Services
Judge Baker Guidance Center
Harvard University Medical School
Boston, Massachusetts

RESEARCH IN PROGRESS

1. Comparison of treatments for abused children with PTSD.

2. Somatic complaints and chronic illness in children as a post-traumatic response to abuse.
3. Resiliency, constitution and pre-morbid development and their moderating effects on child abuse and trauma.
4. Predictor variables of resolving family law issues through family mediation. Children's adjustment to successful resolution of family legal matters via family mediation
5. Predictor variables of successful resolution of family law cases via family mediation: A collaborative project with the Family Court.
6. Empirical validation study of parent alienating behaviors.

PROFESSIONAL ORGANIZATIONS, LICENSURE, AND SPECIALIZED TRAINING

American Psychological Association (APA) - Member
 Division 54 (Pediatric Psychology) Member
 Division 56 (Trauma) Charter Member

Secretary of APA Division 54- 2004-2007

Nominations Committee for Division 54 of APA 2004-2005.

Diversity Committee for Division 54 of APA 2006-2008.

Florida License to Practice Psychology

New Mexico License to Practice Psychology

Certified Family Mediator

The Best Lawyers of America – Expert category

UCLA, Five Minute Speech Sample Method of Rating Expressed Emotion - Certification
 September, 1997.

Child and Adolescent Needs and Strengths (CANS) Certification by Dr. John Lyons,
 Northwestern University 2004

EXPERT STATUS

Qualified as an expert witness in:
Florida State and County Courts
Oklahoma State and County Courts
Federal Court

GRADUATE COURSES TAUGHT

Doctoral Level

Developmental Psychopathology
 Developmental/Child Intervention
 Clinical Interviewing
 Objective and Personality Assessment
 Family Therapy
 Multi-Client Therapy
 (Family, Marital, Group)
 Pediatric Psychology
 Play Therapy
 Child Psychotherapy

Masters Level

Developmental Psychopathology and Intervention
 Clinical Interviewing I
 Clinical Interviewing II
 Human Sexuality

Internship Training Program:

Special Topics seminar (given yearly): child psychotherapy, family therapy, treatment of abused children with PTSD, indicators of abuse in children, forensic psychology in family law matters.

Guest Lecturer:

Nova Southeastern University Dental School: Indicators of Domestic Violence; Child Abuse and Neglect; and Child Development - 1997 to 2000.
